It may take 2-3 weeks to process a refund and get a check mailed out to you. After the deadline of May 31st, 2024, the booth fee will be raised \$35, taking it from \$195 to \$230. All tables, tents, extension cords, etc. will need to be provided by the vendors. Booth placement will be decided by the show committee depending on your need for electricity, your product and when your application is received. We will be trying to work in your request for preferred booth spaces, but we cannot accommodate all requests. All decisions will be final.** For comfort we will be including 3' in between booth spaces, this is not additional display space but personal vendor space and for festival attendees to shop around your booth if you choose.
